# DRONE™ mobile

## 2way 2 Way Confirmation

Receive confirmation for remote start, lock, unlock, alarm alerts and more.

## App Vehicle Control

Ditch the bulky remote or key fob and use a smart phone instead.

## GPS Tracking

The ultimate security and asset management tool. Note: Check with your auto insurance provider for discounts!

## Notification Settings

Easily turn on/off alerts and GPS notifications.

## Alert Notifications

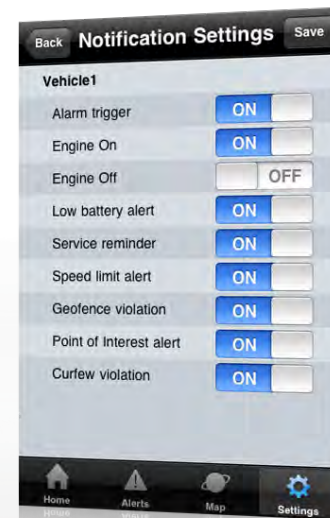

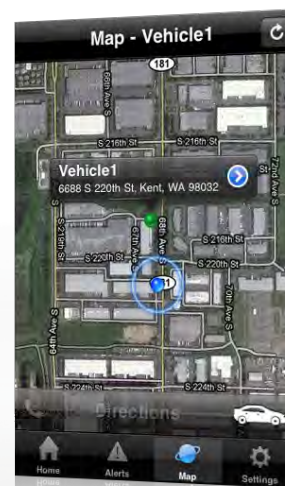

Alarm alerts and other vehicle notifications at the touch of a button.

## Speed Alerts

Teen or employee driver? Monitor driving behavior with custom speed alerts.

## Low Battery

Help eliminate dead batteries by receiving an alert when voltage is low.

## Multiple Vehicle Control

Easily toggle between multiple vehicles within the same App.

## Push Alerts

Own a smart phone with push alerts? If so, receive vital alarm and GPS alerts via push.

## Geofence

Receive alerts if or when vehicle arrives or departs a specified location.

## Service Reminder

Set milage intervals for service reminders; such as every 3000 miles for an oil change.
